Dear Mr Burton

Request for screening for SEA - Glaphorn Neighbourhood Plan

Thank you for consulting Historic England on the above 10 August 2017.

For the purposes of this consultation, Historic England will confine its advice to the question 'Is it likely to have a significant effect on the environment?' in respect of our area of concern, cultural heritage. I note that the screening assessment does not consider that a SEA is required in this instance. We have identified no significant effects to cultural heritage.

We would like to stress that this is based on the current information provided in the screening request and the current draft Neighbourhood Plan. To avoid any doubt, this does not reflect our obligation to provide further advice on the SEA process, and subsequent draft Plan's.

Please do not hesitate to contact me if you wish to discuss any of these comments.

Yours sincerely

Emilie Carr (Mrs)
