

Glaphorn Playing Field Association is pleased to announce

GLAPTHORN PLAYGROUND & OUTDOOR GYM IS OPEN

From Monday 29th March 2021

We would like to take this opportunity to thank everyone in the community for their support. We wouldn't have this wonderful facility without you.

Please note that COVID restrictions still apply and we ask you to act accordingly. Please keep 2 metres from those in another household and adults please wear masks around others. There are no handwashing facilities at the playground and the equipment will NOT be cleaned regularly so we highly recommend taking your own hand sanitiser with you to keep you safe. If you are using the gym equipment please wipe down each piece of equipment after use.

The Playing Field is also temporarily open to casual use (we're not hiring it out yet). The final stage of the Field's drainage system still needs to be carried out but this requires the field to completely dry out first. The whole facility (car park, playground, gym & field) will be closed for safety while this work is carried out, which we are expecting to take a couple of days, and the field will then be closed while it takes around 2 months to recover.

We will be in touch again when we know the dates for this final step. In the meantime please enjoy this fantastic space.

Please remember that dogs are not permitted on the Playing Field or the Playground.
